

AIBA's new and revolutionary global boxing league, the World Series of Boxing (WSB) invites all national federations to forward coaches applications to participate in WSB.

At this stage well over 100 of the world's elite boxers have opted to join WSB. Those boxers will need the best coaches to work with.

**World Series of Boxing will provide to all coaches:**

- **a unique opportunity to train the world's best boxers**
- **attractive salary packages**
- **live and work within a high performance environment**
- **the chance to raise their standards by receiving high profile training**
- **the possibility to switch back to Olympic style boxing during the off-season**
- **international recognition of their work by worldwide media coverage**
- **the chance to be part of a revolutionary development that will reshape the image of the sport of boxing**
